Dear Parents:

As a parent of a student Martha Washington that is receiving Federal Title I dollars, you have the right to know if your child is assigned to or taught for four (4) or more consecutive weeks by a teacher who has a Bachelor's Degree but does not hold the appropriate state certification.

Presently, your child is being taught by a teacher holding an Emergency State Certification. \_\_\_\_\_ is taking the required credits toward his/her permanent certificates to make him or her "Appropriately State Certified" as required by the Every Student Succeeds Act.

A professional development plan is currently being implemented with the teacher. In the meantime, we will be closely monitoring the delivery of the educational services to your child, in order to ensure a quality education from the teacher assigned to her class.

Sincerely,
